Mr. Hicks Norville

To every thing there is a season, and a time to every purpose under the heaven:

A time to be born, and a time to die; a time to plant, and a time to pluck up that which is planted;

A time to kill, and a time to heal; a time to break down, and a time to build up;

A time to weep, and a time to laugh; a time to mourn, and a time to dance;

A time to cast away stones, and a time to gather stones together; a time to embrace, and a time to refrain from embracing;

A time to get, and a time to lose; a time to keep, and a time to cast away;

A time to rend, and a time to sew; a time to keep silence, and a time to speak;

A time to love, and a time to hate; a time of war, and a time of peace.

Ecclesiastes 3:1-8

For Everything There is a Time . . .

A Time to Pray,

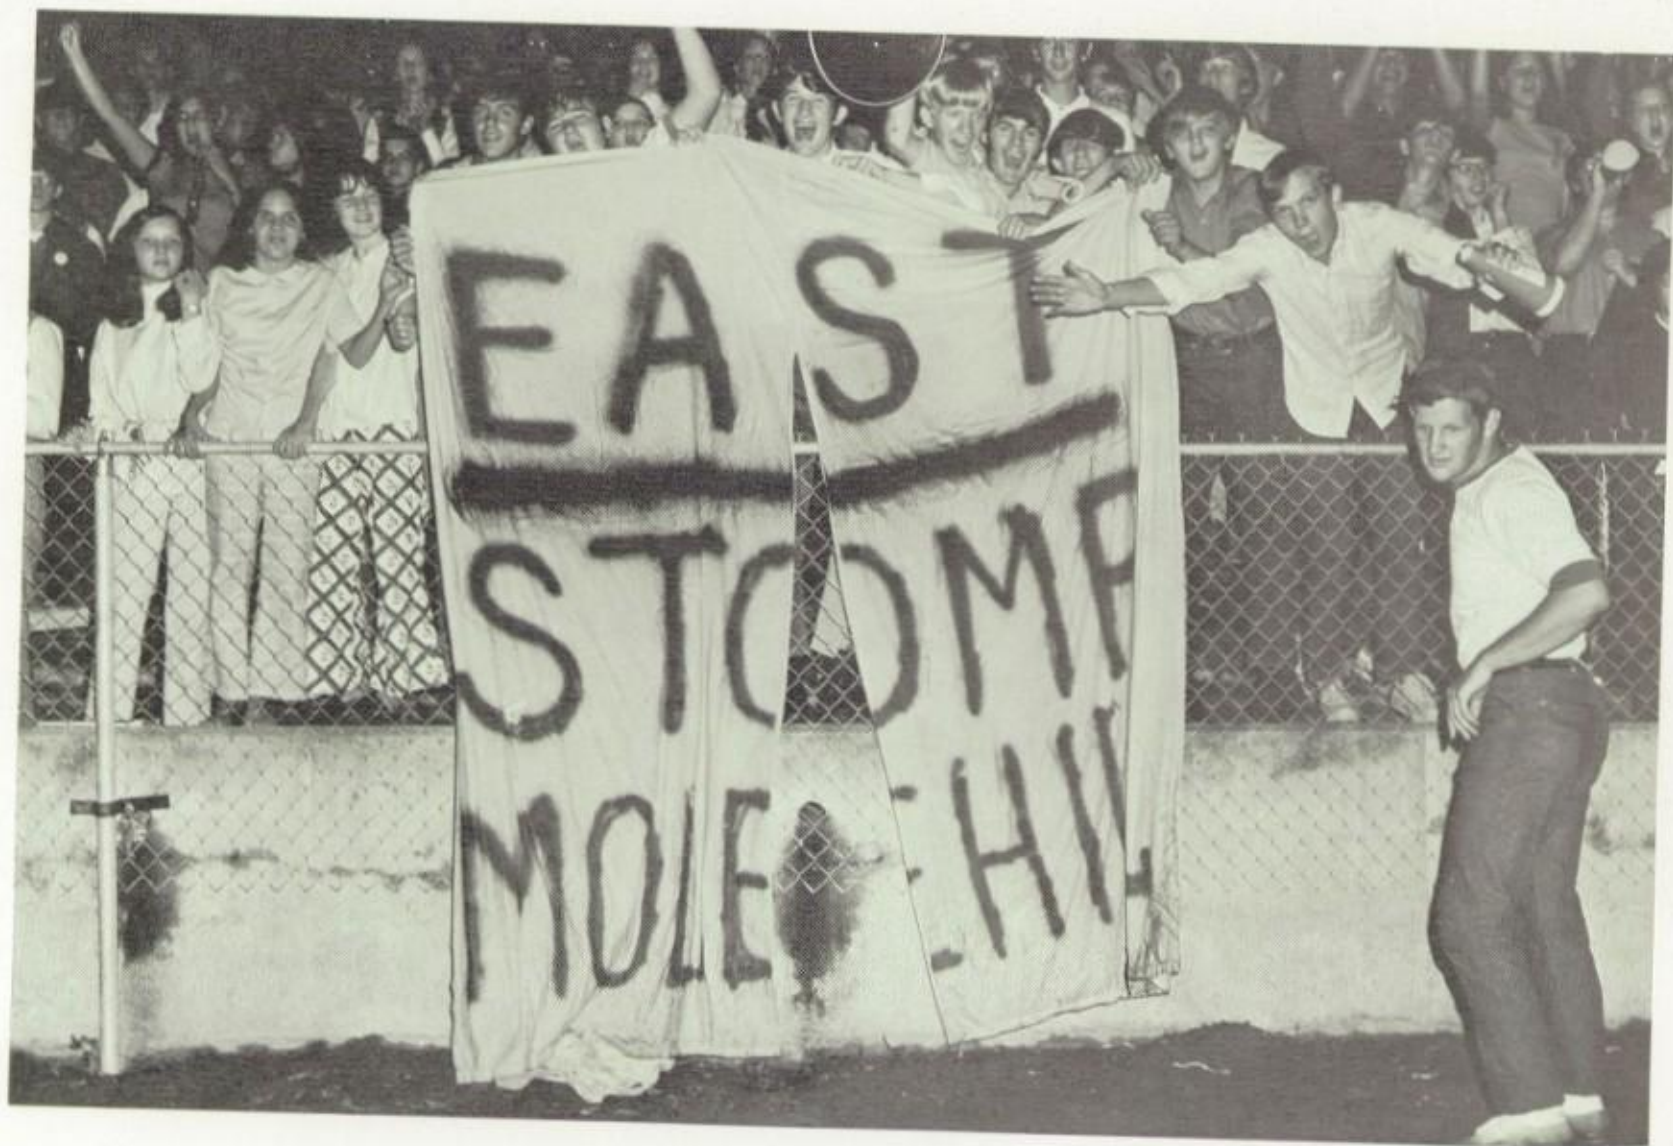

A Time To Live, A Time To Learn . . .

A Time To Rejoice, A Time To Cry,

A Time of War, A Time of Peace

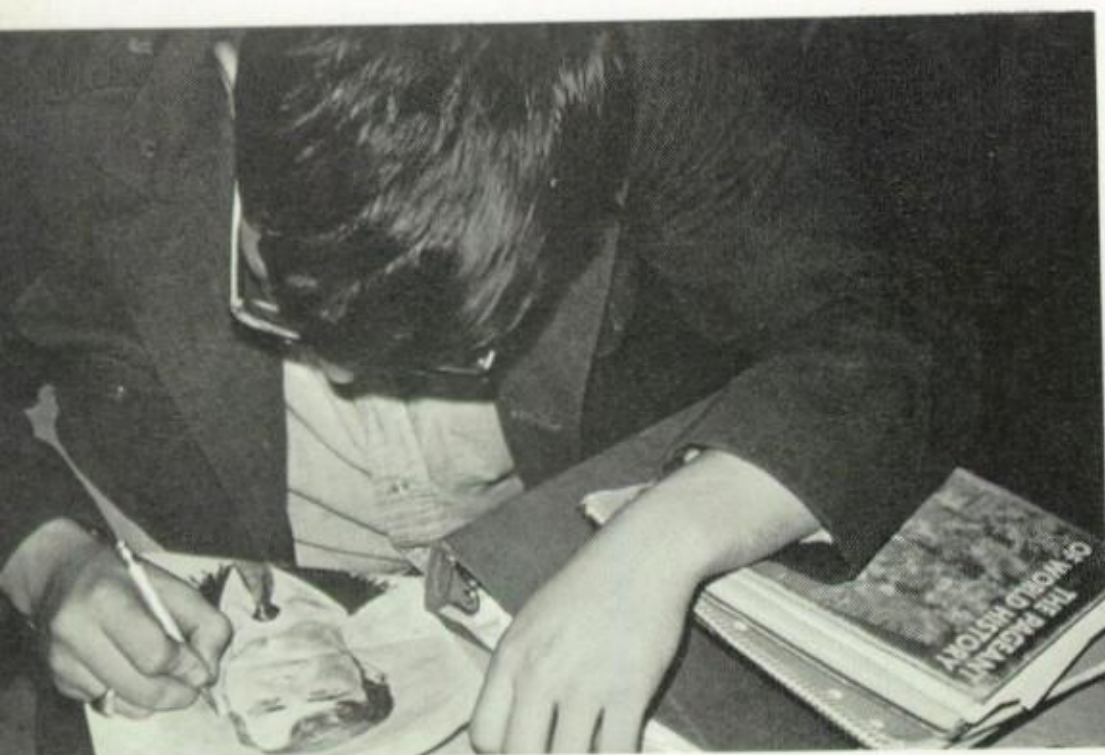

A Time of Victory, A Time of Defeat

A Time For Hope, A Time For Despair

All the Memories Combined, Making

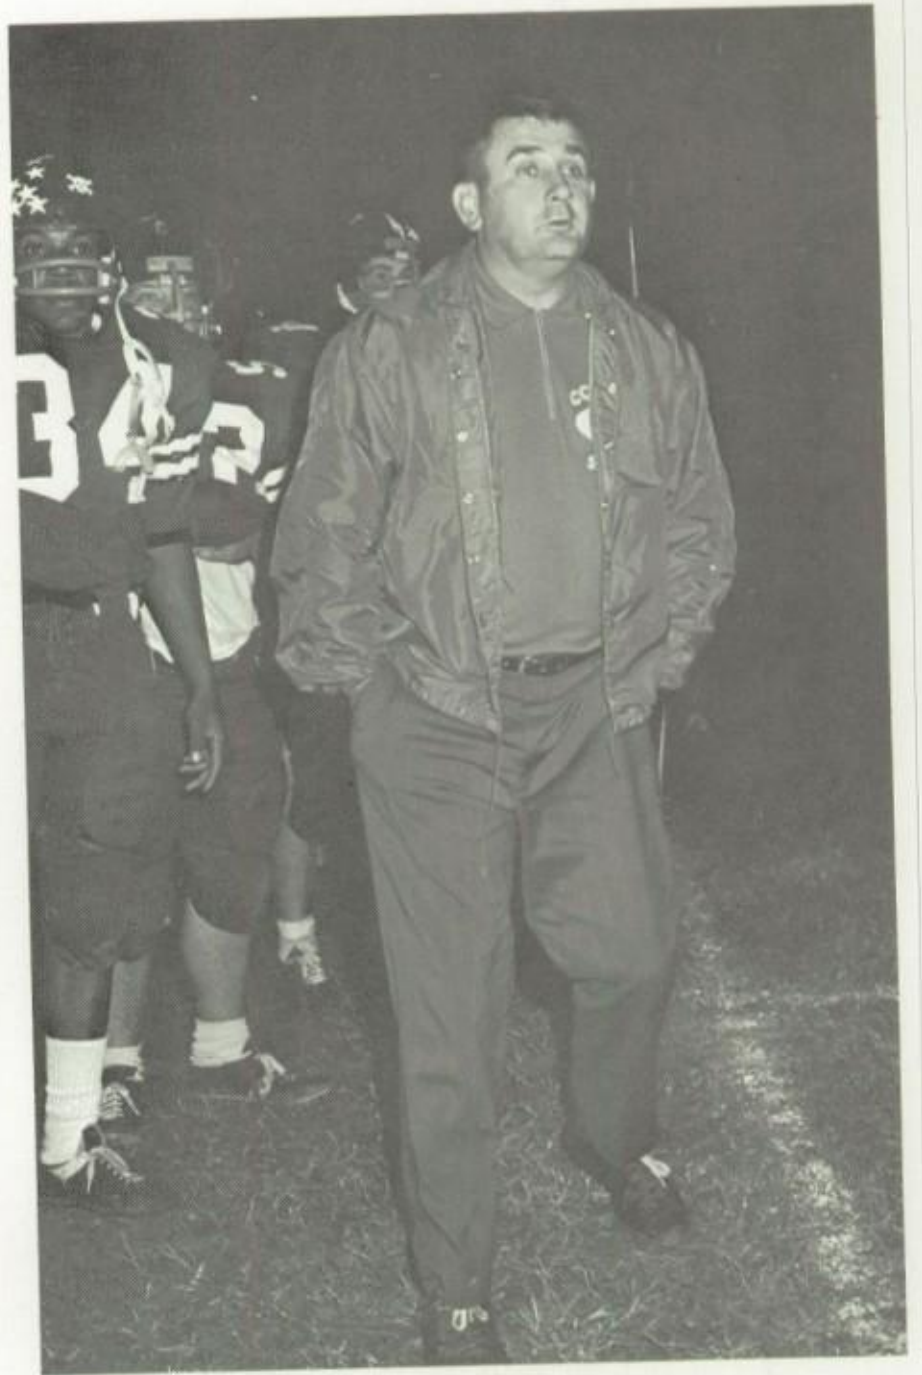

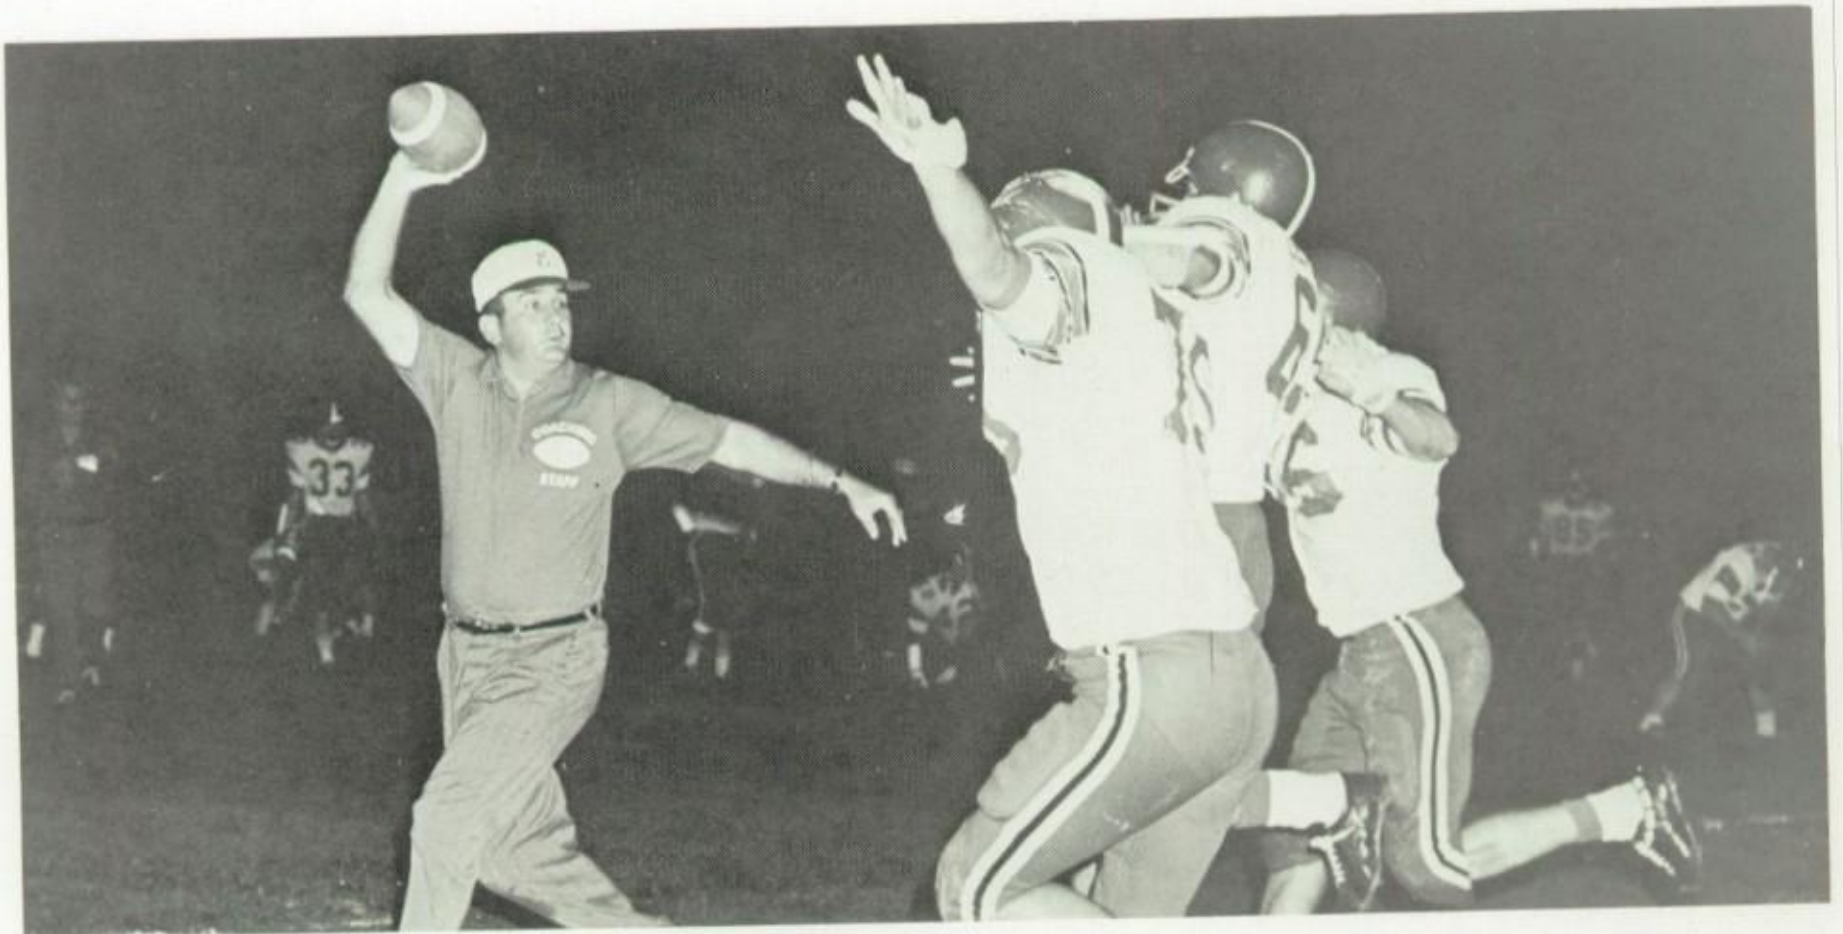

. . . Our Year—A Time for Us

Dedicatee

Upon our arrival at East, you were always a constant reminder that teachers could be friends. Your comical outlook, your exuberant personality, and your watchful eye have made you a true individualist. These combined qualities are a valuable asset to the coaching staff and faculty. Therefore, we the Class of 1971, with deepest admiration, do dedicate our LANCER to you, Mr. Grady N. Pope.

Coach Pope anxiously paces the sidelines.

"Remember, men, this isn't the real thing!" Mr. Pope assists in pre-game drills.

Mr. O. W. Morris

Mr. O. W. Morris, principal of East Rutherford High School, upheld the credibility of the school with a firm but just hand. He had patience and understanding because of his keen interest in the students of East High.

He received his Bachelor of Science Degree in physics from Davidson College and his Master's Degree from Appalachian State University.

Competent Work Upheld Order of the School

The office staff combined intellectual and psychological learning in performing the many duties of the school. They participated in school activities and enabled students to know about these activities through daily intercom announcements. Mr. Hamrick, Mrs. Covington, and Mrs. Davis listened to problems, agreed, disagreed, offered solutions, understood, and in the midst of everything else, contributed a part of themselves to the functioning of our school.

Athletic Department Aimed For

By taking part in athletic activities students gained physical ability and learned the good traits of sportsmanship, leadership, and co-operation with fellow teammates and teachers. Students also gained self-confidence by becoming skilled in these activities. The physical education classes taught students to think quickly, to act promptly, and to adjust when problems arose. A variety of skills were taught including football, basketball, baseball, and track. Students learned that they must have strong bodies as well as strong minds.

Business Department Opened Doors to Business World

The Business Department at East High opened the various doors of the business world. It strengthened student abilities in different courses. Typing I and II were taught for both office and personal use. Shorthand, accounting, and bookkeeping prepared students for secretarial work. To introduce students to procedures used in commercial professions, studies were made in Business Math, General Business, and Business Communications. To apply the techniques previously learned, students engaged in Preparatory Office Occupation.

East's well-rounded Business Department secured the maximum ability for students seeking professional business careers.

English Department Innovated

After much deliberation and observation, the English teachers decided to try a new approach to Language Arts during this past year. The new English program consisted of approximately eighteen courses. Each lasted eighteen weeks, providing an interesting change at the beginning of the second semester.

From all reports, the new program succeeded this year. Students enjoyed selecting their subjects, and teachers were challenged by the contemporary form of education.

French, taught by Miss Spratt and Mr. Bridges, offered students the chance to learn of foreign culture as well as the opportunity to learn and understand the French language. French I and II taught basic fundamentals, while French III and IV dealt with more advanced composition, speech, and civilization.

Mrs. Neal gave students the opportunity to study Roman and Greek history while presenting the highly developed Latin language. This opportunity enabled students to further their understanding of the origin of our English words.

Guidance Department Advised Students

The Guidance Department under the supervision of Mrs. Brown, and her assistant, Mrs. Harrill, provided material for the students. Information on college boards, colleges, universities, and occupations was found in abundance. The Guidance Department directed the testing programs and kept in order the students' personal records, transcripts, and schedules. The room itself is small, but the contents are overwhelmingly tremendous.

History Department Gave Further Insights

Students learned of their forefathers, studied the complex conditions of today, and learned well their rights and responsibilities to their community and country. The department gave intensive studies in various types of social studies. To help the individual to establish the ever-important values of society, Civics, Government and Sociology, and Economics were offered. To better the understanding of his own country, United States History and Black Studies were offered. Students were well informed of the outside world problems and civilizations through studies made in World History and Modern History.

Library Served As Media Center

The students at East were afforded very modern facilities in the library. The total book collection of fiction, non-fiction, and reference were made quite adequate. Five microfilm readers were available for use with periodicals and books on film. Learning aids in the form of audiovisual materials, records, tapes, cassette tapes, filmstrips, transparencies, and loop tapes with inductive materials proved to be a vital asset to students and faculty alike.

Music Department Broadened Musical Knowledge

The Choral Department offered the students of East a chance to broaden their musical knowledge. Musically inclined students participated in the Mixed Chorus, Girls' Chorus, Advanced Chorus, and the Handbell Choir. These courses attempted to develop vocal skills, personal and social maturity, to further the ability to read musical score, and to create an appreciation for choral music.

Instrumental instruction at East was taught through the Cavalier Band. The band provided for, and gave experience in programs. It strived to instill a deeper appreciation of good music in the students, and to offer through group playing a medium for self-expression.

Science Taught New Facets of Learning

Science was offered on several different levels from physical science to physics. Students stayed informed of current scientific events through modern equipment, films, and videotapes. Courses involved discussions and experiments which ranged from the study of atoms to the dissection of cats. Students and teachers alike hoped to better serve the school and community to knowledge acquired through the science program.

Vocational Department Provided Skills And Opportunities

The Vocational Department was composed of a variety of subjects, but they all had one main objective — preparation of the student for the future. Home Economics better enabled girls to have a happier home and community life. Special education taught subjects at a level which the student could better comprehend. Drivers' Education instilled in the student the value of safe and courteous driving. Technical instruction such as bricklaying, mechanics, carpentry, and agriculture gave on-the-job-experience.

The honor of attending Girls' and Boys' State was given to rising Seniors who have exhibited high qualities of leadership and citizenship. Those chosen for this honor were Rod Abernethy, Bobby Elliott, Frances McGregor and Robin Oliver. There they learned about town management, lawmaking, and city elections. Frances McGregor received the outstanding title of "Best Citizen" in one of their imaginary government structures. During this week-long stay at UNC-G and Wake Forest University they learned what makes Tar Heel government function.

Knowledge Acquired Through Summer Study

Since 1963 four hundred of N. C.'s talented and/or gifted students of high school age gathered each summer for seven weeks of resident study on the campus of Salem College in Winston-Salem. Dianne Pitman's main area of study was mathematics. Jim Blanton's studies were of choral music. The Governor's School purpose was to "open windows onto," as the school prepared its students for the future with 20th century ideas.

Miss D.A.R.

ROBIN OLIVER

Robin Oliver was selected as Miss D.A.R. Each year a Senior girl is chosen and sponsored by the Griffith Rutherford Chapter of the Daughters of the American Revolution on the basis of her citizenship, leadership, scholarship, and personal attractiveness.

Miss Hi Miss

BECKY HUNT

Miss Hi Miss, a Junior, is selected by a faculty committee on the basis of her character, achievement, scholarship, and personal attractiveness. Becky Hunt was chosen because of these qualities.

Juniors Received Recognition

Serving as attendants and ushers at Baccalaureate and Graduation ceremonies are those Juniors who have shown outstanding achievement. Two Juniors with the highest scholastic averages received the honor of serving as Chief Marshals.

Refreshingly different Graduation exercises were held in Bryan Harrill Stadium.

ROMAN GABRIEL

Dear Joan + Dianne,

I enjoyed having the opportunity to judge your Miss Lancer contest. It was quite a chore trying to pick one girl as the winner; therefore, I have chosen two very lovely young ladies.

My selections were Miss Patty Hall and Miss Genia McBrayer. As a quarterback I always have more than one selection to choose from.

Thanks again for the opportunity and please have everyone pull for the Rams in '71. Roman Gabriel

Roman Gabriel Selected Two For the Title of Miss Lancer

Competing for the title of Miss LANCER were five Senior girls who had been nominated by the Senior Class. The editors requested that Roman Gabriel, star quarterback of the Los Angeles Rams, make the decision. From photographs of the five nominees, he selected Miss Patty Hall and Miss Genia McBrayer to share the title of Miss LANCER 1971.

“Hawaii” Will Long Be Remembered

Entertainment of island dances was presented by: S. Logan, N. Wilkie, C. Horn, D. Toms, T. Bruce, D. Lavendar, T. Shell, S. Sechriest, M. Pearson.

These Sophomores served as waiters and waitresses: L. Freeman, F. Givens, C. Martin, L. Daniels, J. Biggerstaff, S. Toney, J. Harris, D. Gibson, M. Carpenter, C. Sisk, T. Luckadoo, G. Hennessee, A. Whitaker, M. Melton, P. Jobe.

By Juniors and Seniors of 1970

An island paradise was the setting for the 1970 Junior-Senior. Beaches, bamboo, lagoons, and volcanoes carried out the Hawaiian theme. Island dances and song further reflected the mood of the festive occasion. Couples danced to the music of "The Wanderers" and paused for Hawaiian refreshments. The Junior Class had certainly provided a memorable evening for everyone present.

Mrs. Miller is proof that even teachers can have fun at the Junior-Senior.

A romantic mood was set when selected Chorus members provided a program of song.

"Age of Aquarius" Served As Theme

The newly-crowned queen and her escort, Rod Abernethy, pose for pictures after the climax of a busy week.

Homecoming highlights began with a week-long flurry of activity. Using the "Age of Aquarius" as the theme, Frances McGregor, Student Council Vice-President, supervised the making of posters and the planning of Homecoming festivities. The cheerleaders sponsored Decorate-a-Door Contest. All these activities gave to the school an air of anticipation and excitement for Friday night.

That night the Homecoming Court was presented. The tense moment silenced the crowd as Miss Cherry Robbins, Senior Class sponsor, was crowned East's 1971 Homecoming Queen.

The unsuspecting queen waits in anticipation for the parade to begin.

The Homecoming Court and their escorts pause at the end of half-time festivities.

MISS GENIA McBRAYER

Representing East as her fourth Carrousel Princess is Miss Genia McBrayer. The entire school voted on nominations made in the Student Council. Genia, along with other princesses from various schools in the Carolinas, spent several busy days in Charlotte. The many activities included interviews, teas, and luncheons highlighted by the Carrousel Parade on Thanksgiving Day and the Coronation Ball that night.

Sports

The 1970 golf team lost only four matches during the season. The team also set a new conference record of 285. The conference record lowered the old score by eight strokes. Two men, William Deck and Tim Smith, were placed on the All-Conference Associational Meet.

With Tim Smith, Mike Poole, and William Deck returning, these three A-C performers hope to win another SWC Championship.

Last year's tennis team, hindered by injuries, still maintained a respectable 4-6 record. Charles Roach and Chris Reigert made the All-Conference team and represented East in the All-Conference tournaments. This year's team has four returning starters and prospects should be brighter.

Tennis Team Sustained 4-6 Season

Two of East's outstanding tennis players, Chris Reigert and Charles Roach, placed on the All-Conference team.

Records Shattered By Hard-Running Tracksters

The 1970 track team posted the best track record East has had for a number of years. Many old school records were shattered by the hard-running Cavaliers. With almost all of the 1970 team returning this year, the record should be even better.

With strength and agility, Bobby Elliott pole-vaults over the bar.

Ray Bailey leaps high to catch a fly ball during practice.

Cavalier Sluggers Looked Toward Great Season

The 1970 baseball season was highlighted by a win over conference champions — Shelby. East combined strong hitting with good fielding to end the 1970 season with an 8-9 record. The 1970 Cavalier sluggers, after a surprisingly strong last half of the season, looked toward a possible SWC Championship in the 1971 season.

Hitting Cavaliers Made Way to 7-3 Season

EAST - 22

In the first game of the season, played in a steady downpour, East combined a strong running attack with a strong defense game for their first shutout. The defense held Dallas to 46 total yards and caused four fumbles and blocked a punt.

DALLAS - 0

EAST - 12

East used their stalwart defense throughout the game to hold the Wolves at bay. The game went down to the wire with East moving toward the goal as the gun sounded.

LINCOLNTON - 16

EAST - 12

Alan Milam's goal line interception with just two minutes to go clinched a victory over K. M. for the Cavaliers. Mike Nanney scored first and put the Cavaliers in high gear with Russ Horne scoring the deciding T.D. on a perfect pass from Mike Poole.

KINGS MOUNTAIN - 9

EAST - 24

Undaunted by Central's early lead, East rolled over the Hilltoppers with a pinpoint aerial attack. The Poole to Chapman combination was clicking as they connected for two long scores. Felton Phillips scored the final touchdown on a five yard scamper.

CENTRAL - 7

EAST - 30

With the offensive attack stymied most of the night, the mighty East defense scored two touchdowns on an interception and a recovered fumble by Rick Chapman. The fired-up Crest defense held East's awesome ground attack, but permitted Poole to connect with Chapman for two more touchdowns.

CREST - 9

EAST - 50

The offensive power of East was overwhelming. Mike Nanney, eating up a total of over 300 yards and scoring 5 touchdowns, put on one of the finest offensive shows East has ever seen.

CHERRYVILLE - 7

EAST - 38

In their homecoming game, East blanked Burns. Steve Bruce and Sam Blanton both scored on offensive errors by Burns. Alan Milam scored twice as he played one of his best games of the season.

BURNS - 0

EAST - 36

Sam Blanton was in full stride against the Trojans. Behind the great blocking of Robert Huber, Jim Sappenfield and Tommy Tisdale, Blanton blew the Trojans off the field grinding out yardage and scoring twice.

CHASE - 8

EAST - 0

On a muddy field, the Cavaliers could muster no serious offensive threat. Fumbles and interceptions plagued both teams, but East had more than their share. It was a disappointing game which knocked East out of leading contention for the conference title.

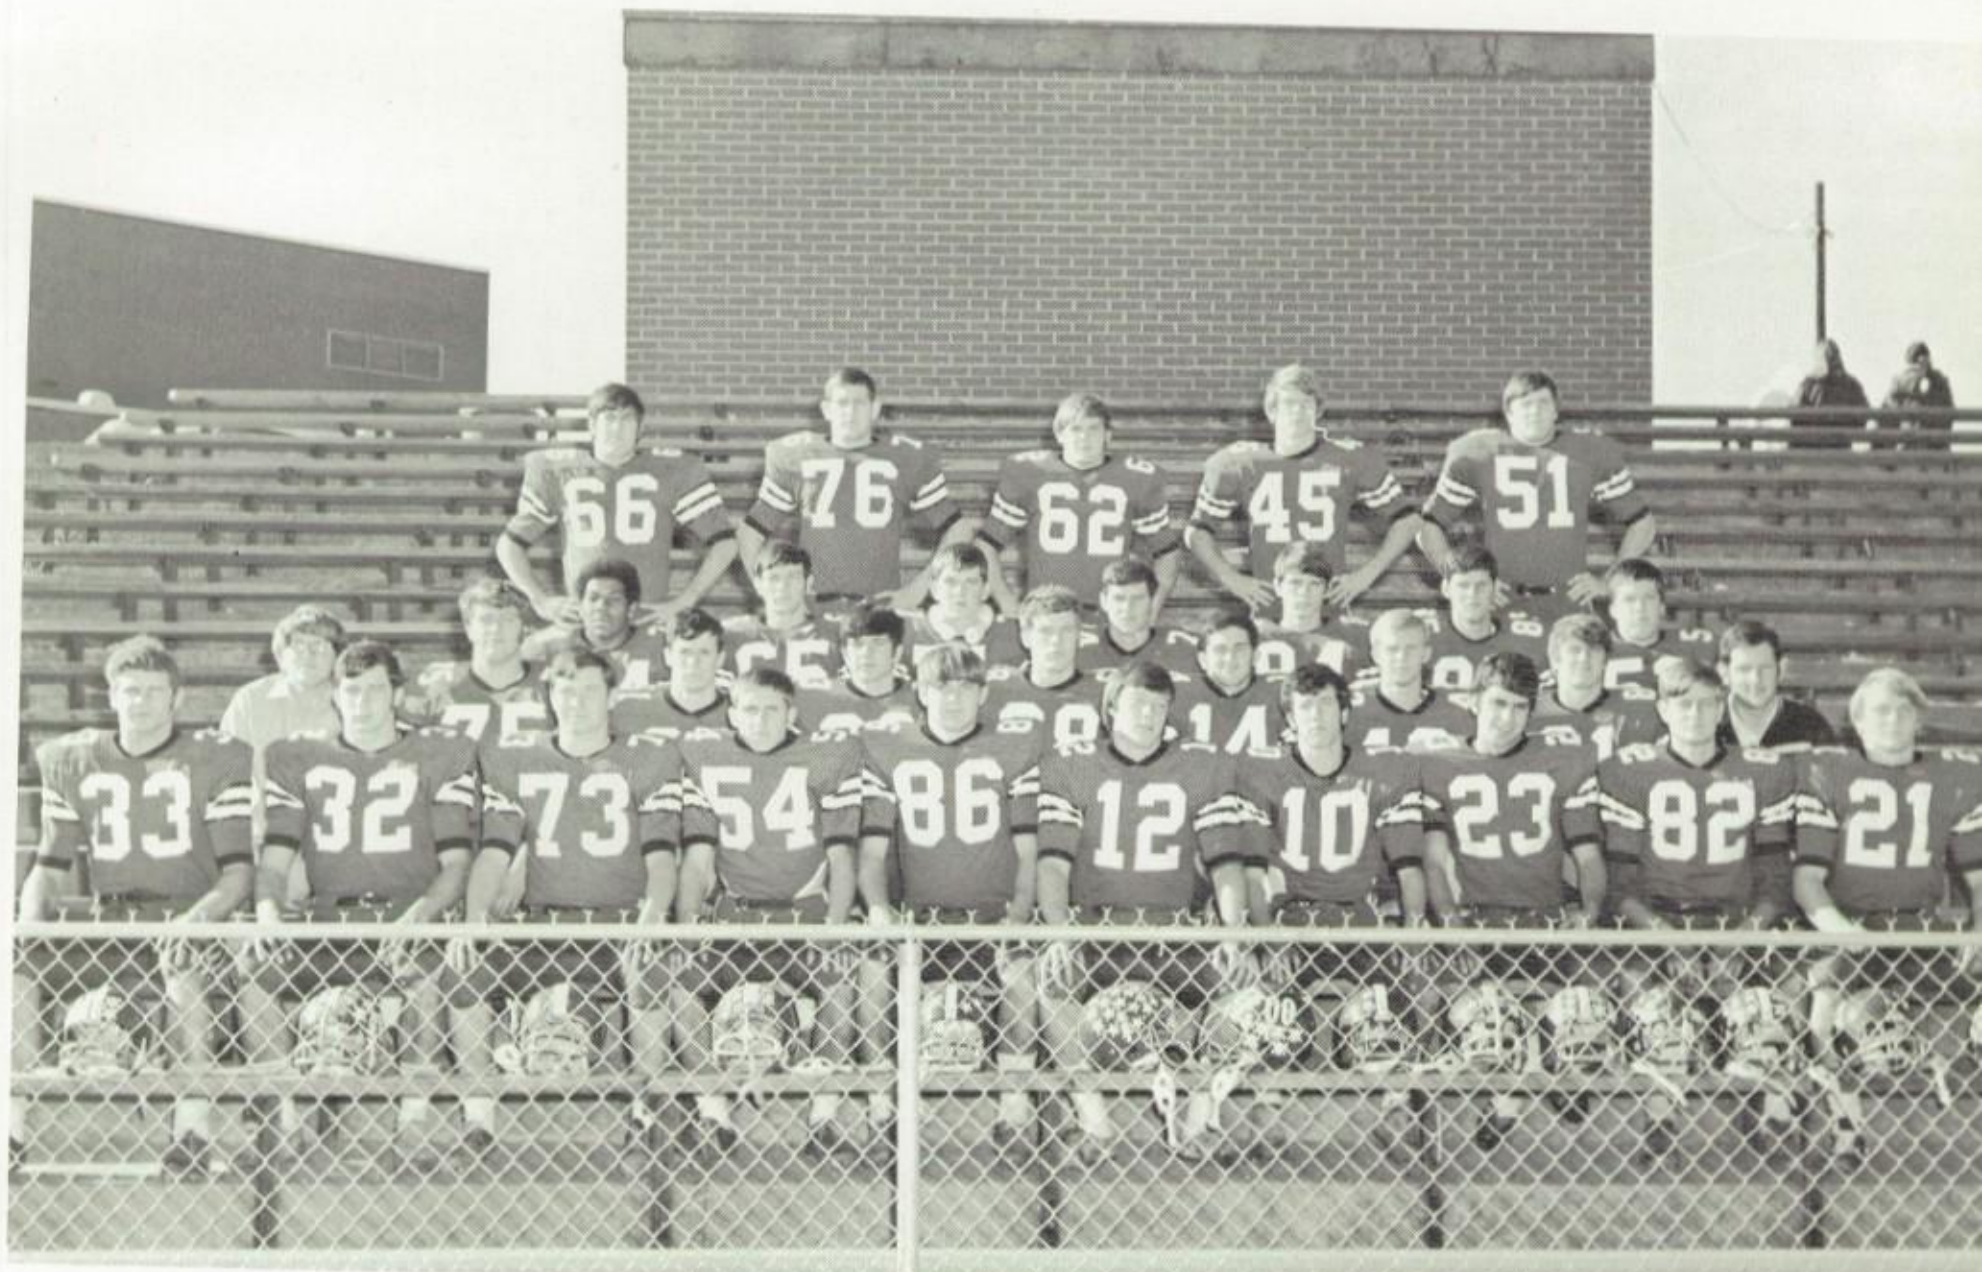

SOUTH POINT - 19

EAST - 0

The Cavaliers sustained a strong defense against the fleet-footed Shelby backs, but with constant battering, the Lions broke through and overpowered the Cavaliers.

SHELBY - 27

Surrounded on all sides, Wingback Steve Bruce gains valuable yardage against Burns.

The Cavalier football team exhibited all the qualities of a championship team. The determination and leadership shown on the field has molded the future of the boys, their lives, and their school. The responsibilities which they accepted have left their mark upon our time, and even more important, upon the team as individuals — as men.

Experience Made The Difference

The Seniors were the pacesetters for the 1970 football team. Leading the squad with determination and spirit, they proved to be more than a match for seven of the teams that they played. These hard-nosed men were truly the heroes in a game of heroes.

J.V.'s Ended Season In Undefeated Glory

Under the leadership of Coach Kozma and Coach Pope the Cavaliers went undefeated, gaining knowledge and experience for varsity play. The highlight of the season was a 22-21 victory over Tuscola in the closing minutes. Their determination and dedication exhibited the Cavalier spirit and will be an added boost in coming years.

Baby Cavaliers Had Big Shoes to Fill

The purpose of Freshman Football was to develop young griders for the future of East. Under Coach Clement and David Matheny the "Baby Cavaliers" posted a 5-2 season. Determination and spirit were the deciding factors in their success. Cavalier football has much to look forward for the oncoming seasons.

Student Council Worked for School Betterment

Led by President Tommy Tisdale, the Student Council was a democratic organization for the students of East High. It also proved to be a service organization for the community through drives like "Cans for Kids" and "Twelve Days of Christmas." One of the main projects this year was the selling of wrapping paper, candy, and magazines for the long-awaited Student Lounge. This organization constantly worked to provide an ideal government for the students of East High.

Human Relations Council Maintained Student Communication

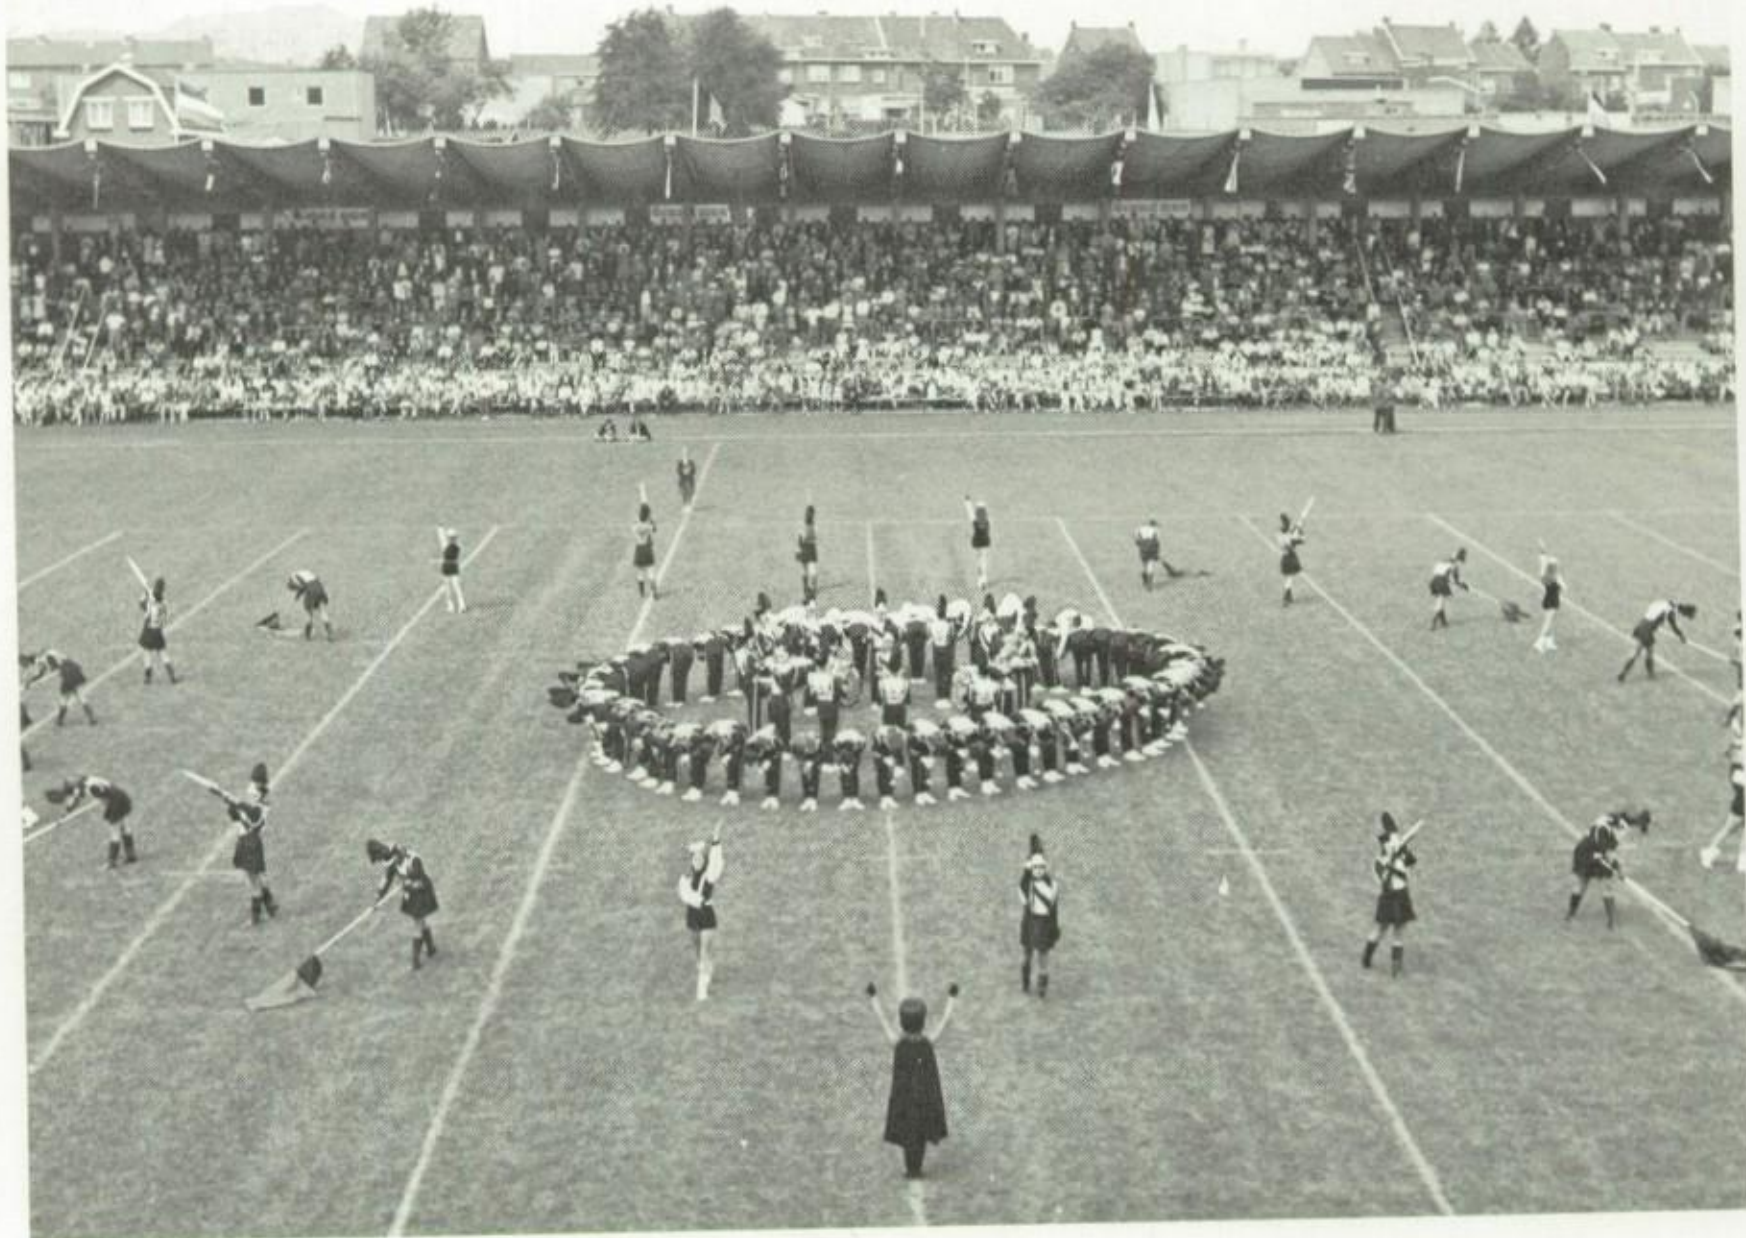

The Human Relations Council was formed for the benefit of the students. Discussion of personal and school problems, school improvement, and efficiency were some of the many activities rendered by this council. It has also been a major factor in improving race relations in all aspects of school life. The Human Relations Council has represented leadership, orderliness, and composure throughout the school year.

Cavalier Band Placed 3rd in World Competition

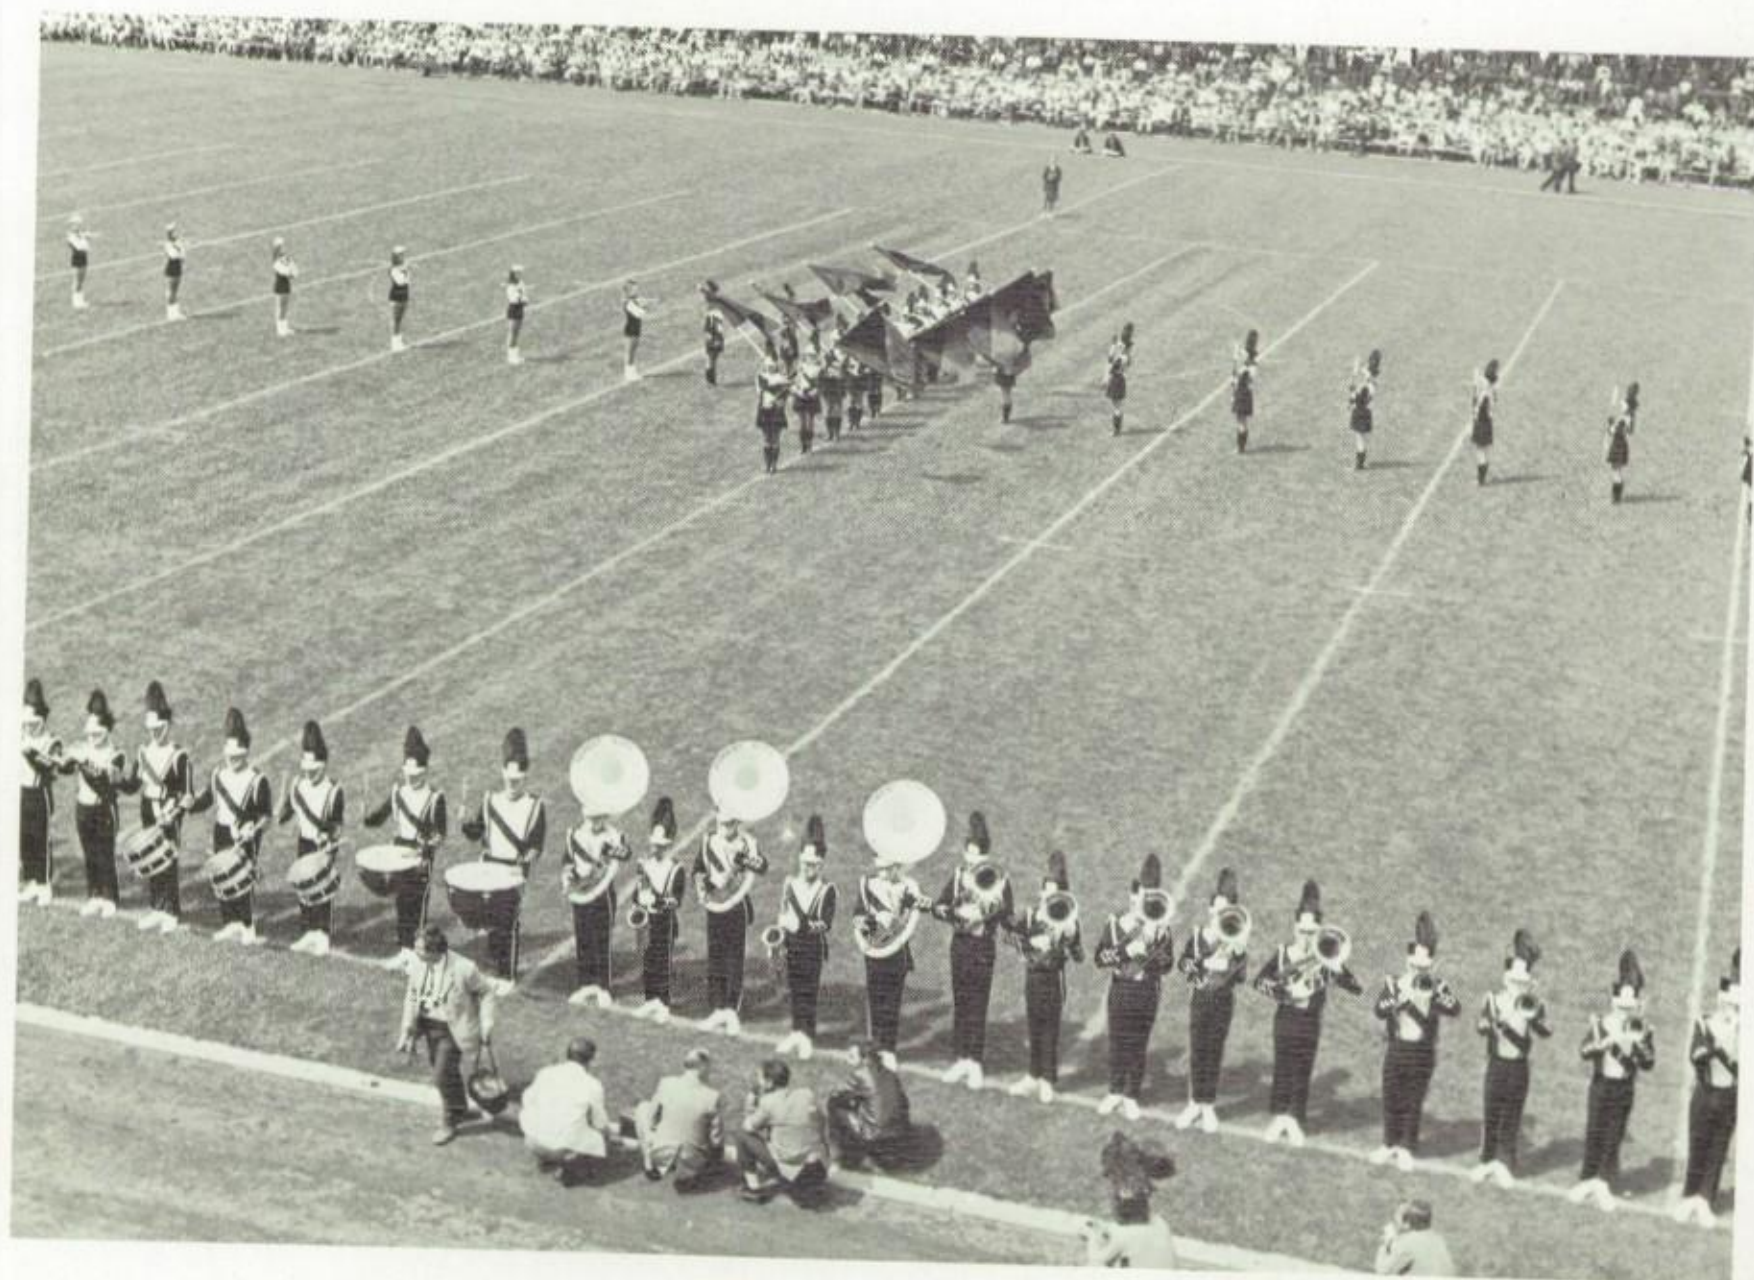

Because of the hard work and success of the Cavalier Band, they were selected to participate in the World Music Festival in Kerkrade, Holland. After incessant hours of practice during the summer, the Cavaliers boarded for Kerkrade to compete with hundreds of foreign bands. While in Europe, the band toured Holland, Germany, France, and Switzerland. They returned with the title of the number 3 band in the world. In April, the band traveled to St. Petersburg, Florida for the Festival of States. There they defended two national championships.

Bluegrass Inspired Music of the Mountains

There's really only one way to describe this club, and that is plain old "Bluegrass." With the help of Mr. John Johnson, a number of East students formed this music club for the purpose of teaching each other the traditional music of the mountain country. And with the master himself, Mr. Johnson, they have succeeded in doing this.

Mr. Johnson proved to be the master of Bluegrass Music.

Betas Attended State Convention

The East High Chapter of the National Beta Club is a service organization which helped to better serve the students at East and the community. Membership was restricted to juniors and seniors who possessed an accumulative average of 93 or above, had worthy character and creditable achievements, and a commendable attitude. Each year an installation service is held before the students to induct new members.

The club attended the annual state convention at Asheville in the spring. Beta Club members from throughout the entire state met and exchanged their ideas and opinions.

The Cavalier Stimulated School Interest

The CAVALIER Staff began the year with great enthusiasm, good ideas, and little experience. Co-Editors, Lynn Dorsey and Kay Park, attended the North Carolina Scholastic Press Association in the summer. There they learned to convey in the paper student interest, news, and unity. Each issue of the CAVALIER was born through discussions, interviews, and hard work.

Handbell Choir Highlighted Choral Department

One of the unique features of our Choral Department is the Handbell Choir. Skilled young ladies combined their talents as they performed in the twenty-five member bell choir. Through a knowledge of reading music and constant practice, each girl developed her skill.

The East Handbell Choir performed for various local, civic and church organizations, and accompanied the chorus in concert. They also toured with the Concert Choir.

Members practice for an upcoming concert.

Debaters Had Outstanding Year

The Debate Team expanded their program this year. The team was divided into a Varsity Team and a Novice Team. The Varsity Team consisted of debaters from last year while the Novice Team was made up of new debaters. The debaters worked hard in their fifth period class preparing for tournaments in Athens, Bowman, Bakersville, and High Point. The team also traveled to Wake Forest, Gatlinburg, and to the state competition. In the High Point Tournament the Varsity Team debated in the championship round against Marquette University.

These awards and trophies, won by the debaters, are a fine addition to the trophy case.

Students Appreciated French Culture

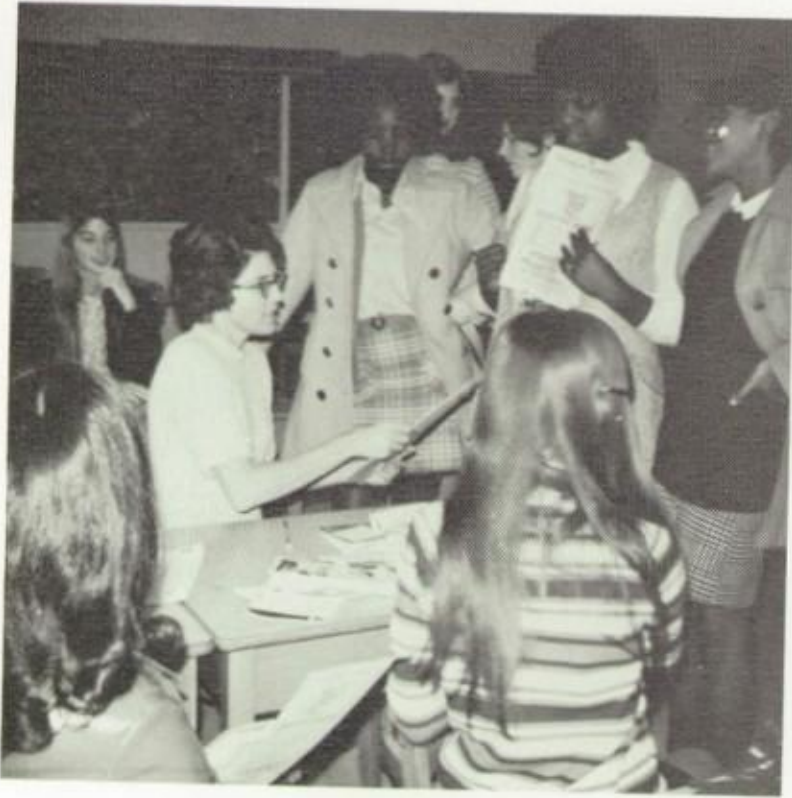

The French Club gave French students a chance to enliven their study of French. "Le Cercle Francais" has helped members become better acquainted with the French language and culture. The French Club strived to have meetings which are not only enjoyable but valuable as a part of language education. Christmas caroling, a costume party, and a French dinner were some of the interesting outside activities which the club members enjoyed.

Members Assisted in Local Health Projects

Although the active membership was small, the Health Careers Club participated in numerous health clinics. Club members aided the Blood Mobile in Forest City, the Glacoma Clinic in Cliffside, and helped in the collection of donations for the March of Dimes and Cerebral Palsy Campaigns. The club also participated in the "Twelve Days of Christmas Project" by giving a party for the Forest City Elementary Special Education students. Through this rewarding community service, members gained a feeling of achievement.

Junior Civitan Club Aided School and Community

The Junior Civitan Club has been an asset to the school. Helping to provide the athletic department with uniforms and putting the track around the football field were only a few of the accomplishments of this club. Some of their community projects included the selling of Christmas trees and Cavalier cushions.

Key Club Developed Better Citizens

The Key Club, a service organization, helped when needed in the school and community. Through the sale of doughnuts and the publication of the Key Club Calendar, money was raised for a scholarship given to a deserving Senior. The Key Club aided its sponsor, the Kiwanis Club, by participating in the sale of peanuts and pancakes. They also helped with the toy drive at Christmas. Members of the Key Club strived to uphold the high standards of the Key Club International.

I.C.T. Prepared Students for Business World

Students who participated in the Industrial Co-operative Training were offered an opportunity to prepare themselves for entrance into a skilled occupation. I.C.T. combined on-the-job technical training with study in the classroom that related directly to the occupation. The established goal of the I.C.T. program was to educate the student so that he would be better equipped to meet the challenges that confronted him in our changing society. In the spring, I.C.T. students enjoyed a banquet honoring their employers.

Latin Club officers take their place in the Homecoming Parade.

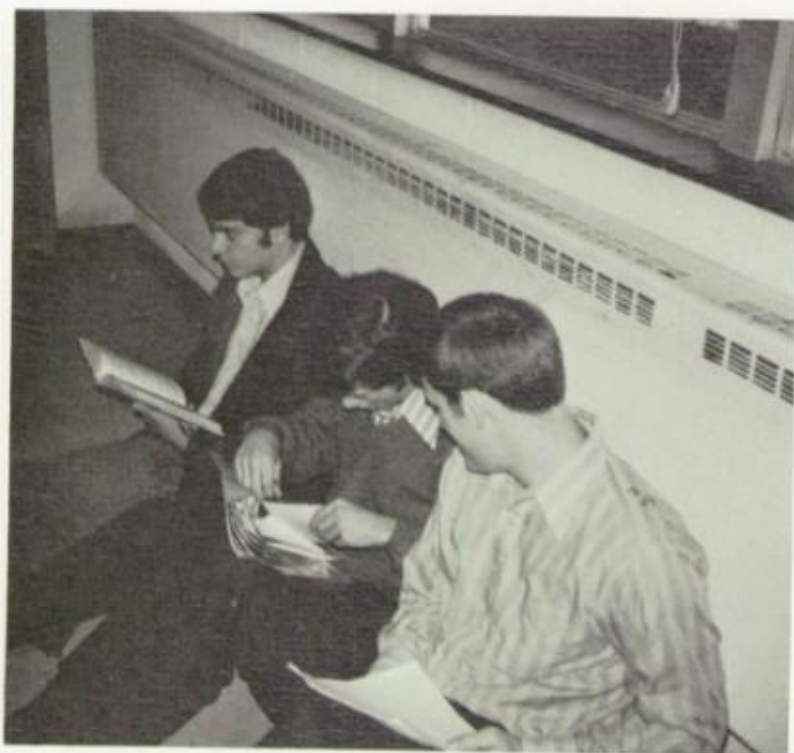

The Latin Club has given Latin students a chance to broaden their study of Roman culture and history. Members were encouraged to appreciate ancient mythology, art, and literature. Through various money-raising projects, such as bake sales and car washes, Latin Club members were able to enjoy several social events. During the Christmas season, they sent cards to servicemen overseas and collected Cans for Kids.

1971 Lancer Introduced New Techniques

The 1971 LANCER Staff began work on the annual during summer vacation. Several members attended the Rhododendron Yearbook Conference at Appalachian State University during July, while other members were busy selling advertisements. Beginning the year with a successful sale of annual subscriptions, the staff began taking pictures, writing copy, and drawing layouts. With thanks to the advisors, Mr. Hicks Norville and Mrs. Ann Robbins, the LANCER Staff completed this, the LANCER 1971.

Sports Editors, Russ Horne, Gordon Neal, and William Deck, worked diligently to provide copy, captions and statistics for our sports' section.

The LANCER Staff prepares to enter the Homecoming Parade.

Bridgett Smith and Wanda Blanton spent much of their time for the betterment of the LANCER.

Slightly out-of-focus Co-Editors, Dianne and Joan pause after a busy day's work.

Curriculum Enriched by Library Club

The main objective of the Library Club was to serve the students and faculty. This club helped students find books, filmstrips, and records that aided their studies. In this way wholesome attitudes toward library use were developed. The club offered a good selection of current books by the operation of a paperback bookstore. Members met weekly with their sponsor.

Math Club Promoted the Study of Mathematics

The Math Club was created in order to help students explore the field of mathematics. It increased the student's mathematical knowledge, improved his mathematical skills, and helped him understand the importance of mathematics in his life. Membership in the Math Club was open to any student who had maintained a "B" average in the math course he was taking or had taken.

This spring the Math Club sponsored the National Mathematics Test for High School Students. Any student who took Algebra II or Algebra III was eligible to participate. The student who scored highest on the test received the Math Award for 1971.

Science Club Gained Knowledge Through Experimentation

The Science Club dedicated itself to increasing the members' knowledge of scientific data and methods. Experiments, filmstrips, and field trips to such places as the Oak Ridge National Laboratories were instrumental in achieving these aims. This year, special attention was given to the fundamental of photography.

Young Sportsmen Experienced Nature

The Sportsmen's Club increased the members' appreciation and understanding of nature through participation in club activities. By hunting, fishing, hiking and camping, they gained enjoyment mixed with practical experience. These outdoorsmen learned the importance of safety rules in handling firearms and became aware of good sportsmanship.

URTH Exposed Man's Errors

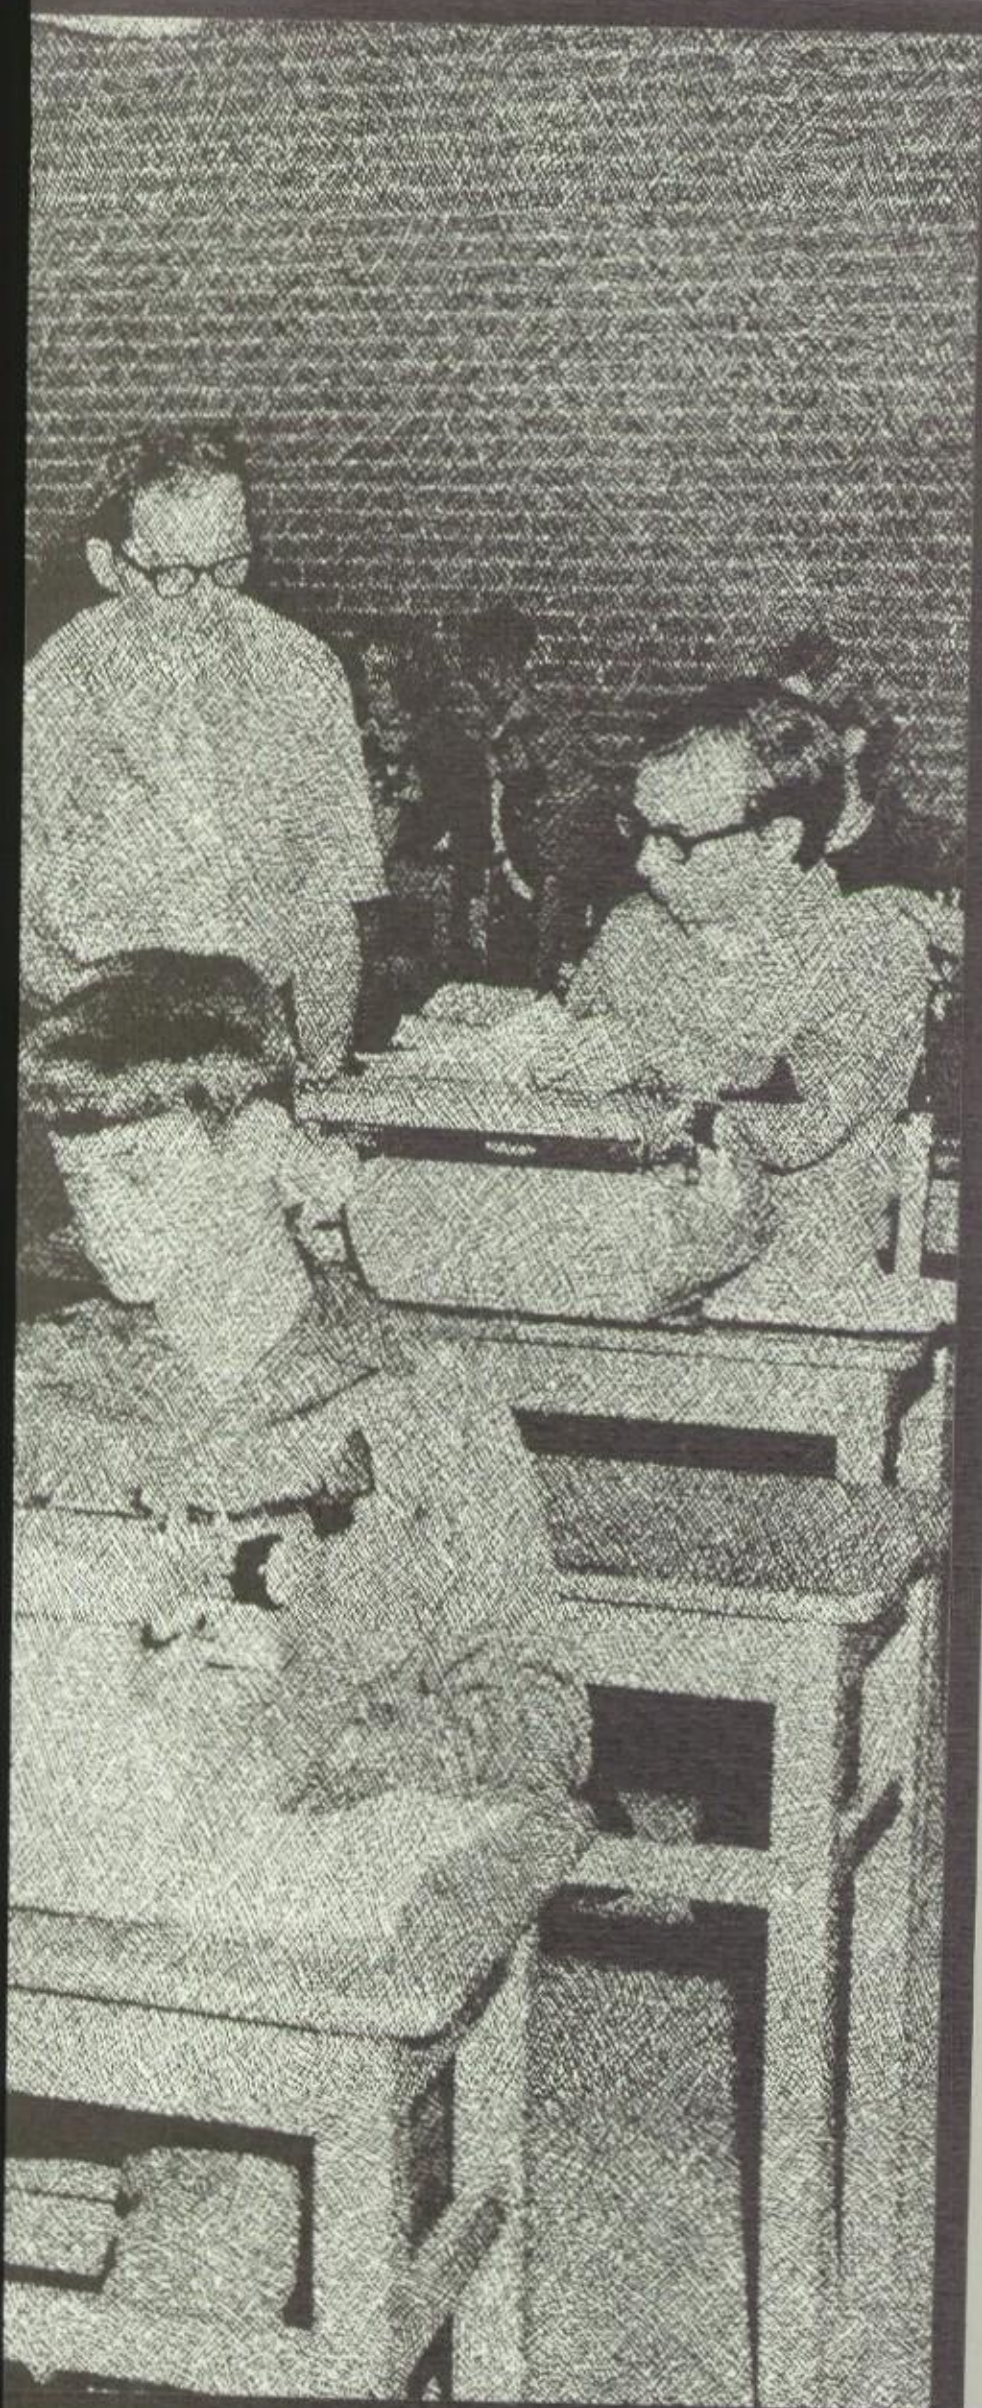

In an effort to inform the students and community of environmental problems, URTH was formed in the spring of 1970. Under the leadership of Mr. Mike Thompson and Mr. J. V. Jones, URTH members actively took part in the fight against pollution. They sponsored several community clean-ups and published newsletters describing cases of environmental problems. The URTH members succeeded in bringing to the attention of the student body and community many of the dangers that threatened the existence of man.

Broyhill ...

a leader in furniture value

When it comes to combining design with value, Broyhill sets the pace. Our market is the great Middle Millions — the millions who comprise the biggest segment of the economy in number and total income. And with large volume buying of materials, more production and efficient operations, we pack

tremendous value into our product. Design and quality, reasonable pricing, completeness of line, excellent relations with retailers, national advertising. These are the reasons the Broyhill product ranks among the most outstanding in the industry. Broyhill . . . a leader in furniture value.

A Time to Sleep

What a year this has been! As editors, we have been undoubtedly the "greenest" in East High history. We never imagined the amount of time, energy, and creativity required in the publication of a yearbook. Our schoolwork was neglected and sleep was lost. But friendships and our love for East were the incentive that we needed to keep us going.

A debt of gratitude is owed to so many:

MR. ROBERT MORGAN . . . with his invaluable assistance and 136 pictures, he made this yearbook possible;

MR. AND MRS. BOYCE GRINDSTAFF . . . for the use of Grindstaff's Interiors for photographic backgrounds, and their kindness and understanding;

MR. JOCK LAUTERER . . . for allowing us to take all we needed from his file of pictures;

MR. JOHN CARRIKER and MR. TROY HOUSER . . . for use of their photos and for developing pictures especially for us;

ROD ABERNETHY . . . his photographs of school life have added much to the yearbook;

PARENTS . . . for their patience, understanding, and encouragement when everything seemed hopeless;

TEACHERS . . . for understanding our absences, our neglected work, and our annoying interruptions and excuses;

ADVISORS . . . For their encouragement and willingness to help.

PATRONS . . . for their interest in school activities by placing an ad in our yearbook.

We also want to thank those who have hindered the publication of the LANCER, you have helped us to mature.

Our dreams in the summer of 1970 have become the reality of 1971. We are pleased with our final work and hope that each and every page of LANCER 1971 has meaning for you.

“so much of life ahead . . .”

"Scott,
I think I'm
glad I met you. HA
No, I've enjoyed
talking to you in geometry.
I hope you have fun
this summer. Try to
stay out of trouble.
I wish you the best of luck
out in the world since you
a big bad senior and won't
come back to EAST next
year. Keep up the
good work at the "Red
Shed" I'll see you
around.

Scott,
Don't die
soon.

Scott, I think this
has been a pretty
good year. I hope next
years even better. Have a
nice summer and take
care of yourself. So lad you
won't be coming back to
old east cause college is gonna
be tough
Love
Pam

Scott,
It really
has been great
getting to know
you this year.
We've really
had some fun
in Mod. History
haven't we? Good
luck in the
future to a
deserving guy
Love ya!
Beth

Scot,

Plas you could come back to East again.
You are really far out Scott and very friendly.
I want to wish you the very best next
year in whatever you undertake.

Best Always

Callegor Horn

Scott- Arent you a sophomore?
Well, whatever you are, I have
enjoyed having you in the class.
I think you see a lot of things
more clearly than most people. I
hope you insist on a good life for
yourself. You better, or I'll
flunk you and you won't get
to be a senior next year.
Happy trails to you
Mike J.

at this year
I really been
Cost. I have
getting to have
types of Cost.
on (blooming what)
a great guy & him to die around you are
wouldn't he the same & you'll without one & you around
Stay the way you are & you'll without one & you around
Don't friend always.

Scot,

This year wouldn't have been the same without you. At the first of the year (before I met you) I thought you were just another stuck-up boy. But as I got to know you better, I found out that you are really a very nice and crazy guy (even though you do talk funny). ← Just kidding

Since the year is almost over, I don't guess I will ^{not} see you much in the summer. Don't work too hard.

You are one of the friendliest persons I know. You are not really mean, I just love to argue with you.

Sometimes I just don't understand you at all. I try, and sometimes I fail but most of the time I succeed. (Finally)

I hope you have no trouble understanding my moods.

You have been a great friend this past year and I am glad that I got to know you.

Remember the BOOM in the lunchroom? I'll never forget that.

I'll never forget your good and bad animals. (Are they still alive?)

I hope you remember me in the following years to come (or at least one year.)

I wish you the best of luck in the future.

Love Ya,

Kay

Scott, (Sorry I didn't spell it right the first time)

It has been fun knowing you these past two years, ever since you moved here. You can be a lot of fun when you want to be. Remember how mad Ronnie used to get at you 'cause you talked to me all the time in homeroom and English. We've had fun in history this year, too. Best of luck in the future. And if you're still working at the Burger Barn this summer, I'll come and see you. Good luck.

Love ya,
Myra

SCOTT
CAN YOU BELIEVE THAT WE'RE ABOUT TO
GRADUATE. WE'VE ALMOST SURVIVED M. HISTORY.
REMEMBER HOW AT THE FIRST OF THE YEAR
YOU & I NEVER AGREED ON ANYTHING. HOW
BOU THE 8TH GRADE & COO SPRINGS.
BEST WISHES TO A GREAT GUY & MAY
GOOD BLESS.

LOVE,

SHARON LO
POBBINS

Scott,
It has been great knowing
you this year. You are a very
cute and sweet boy. Remember
the great times we've had in modern
history. I hope I get to see you
some this summer. Best of luck
in the future & your really not
a Blooming idiot!

Scott,
It's been great
knowing you this year.
We've had tons of fun.
Best of luck. Stephen Davis

Love,
Suzanne Dantzie

Scot.
It's been great
getting to know you
this year. You're a real
sweet person who deserves
the best of everything. We
had some hard times in England
but I think we're going to make it
I hope to see you around this summer
Stay as sweet & friendly as you are &
you'll go far in life.
A friend always
Barbara
/ rather

Scot,
It was nice
meeting such a sweet
boy at East. I am glad
I didn't wait until next
year to move up here. I am
sorry that I won't get to see
you or be in any of your classes
next year. But I hope I do see
you sometime.

P.S. Congratulations
and lots of luck
to a swell guy.

Wesley
Medford
(High Hill S.C.)

Scott,

It has really been nice knowing you. The first time I saw you was when you walked with a cane. Then you started coming to Modern History. I found out that you were a very comical guy and can take jokes and think nothing of it. You started working at the RS and you probably found out that I was a pest even though I do stop there a lot. You are a very nice guy and I hope you have the very best of luck in Life.

Best Wishes
Marilyn

Scott,

I have been fun being in Study Hall and talking to you this year. I have really enjoyed your company. Good luck to a great friend.

Love,
Dawn

cool, you seen
all, you seen
gone next year
want be able to teach
me, you one a really great
guy! Jimmy doesn't like you
I do so you are safe. I don't know
what your plans for next year are, but
I wish you money many years of happiness
& thank you for all the great laughs.
Love you,
Bucky

I cool
It been great getting
to know another carpenter
this year. Although I
didn't have but me close
together I feel we achieve
a lot. Best of luck to
you & the rest of you.
A friend (Soul)
son.

Scott

As long as I have known you
you have been a very nice person,
I don't think no one could ever
find a nicer or sweeter person, so
remain that way.

And may the best of luck be yours
Always.

(A Friend of mine)

Scott,
It's been great
great in English this semester.
Best of luck in everything.
Your friend,
